### ▼ Reserved instance marketplace settings

The Reserved Instance Marketplace gives you the flexibility to sell the remaining full months on your Reserved Instances. Manage your Reserved Instance Marketplace disbursement and tax information using the following options.

Manage seller and bank account information

You can update your business name and bank account information so we can disburse funds to the appropriate location.

## Manage tax settings

Change your tax information so that your 1099K or W-88EN is generated appropriately. Setting this information up also allows you to sell more than 200 transactions or \$20,000 in Reserved Instances.
